

Ocean Point Colony Trust

April 14, 2011

Dear Ocean Pointers,

The summer of 2011 is fast approaching and will be here in just a few short months. It is now time to begin thinking of all the wonderful activities that take place throughout the summer here at the Point.

We are very excited to have a new AD this year. Dan Densmore, along with his wife, Kristan and their daughter Elle will all be here to assist us in making the summer an eventful one. Dan is a middle school teacher and coach in Florida and has experience with a number of different age groups. We are happy to be working with him in providing a variety of activities.

The season will once again kick off with our traditional Horribles Parade beginning this year on Van Horn Rd. on Saturday, July 2nd, starting at 9:30 followed by ice cream, races and the first softball game. Later that evening, the Chicken BBQ will be held with 2 seatings, 5:30 and 7:00. Tickets will be sold in advance and reservations may be made with an advanced sale. More details will follow in the OP column in the Register. Please bring your own utensils and a salad, side dish or dessert to share.

Repeat activities this summer include: both men's and ladies golf, bridge night, food sales, pancake breakfasts, porch parties, ballgame grills, tennis socials and bunko. We will also have another paint class by Don Demers. Of course there will be plenty of activities for kids; arts and crafts, game night, movie nights, and the talent show.

We are planning on a lobster bake to be held in July and we will have more information on this event forthcoming. Also this summer there are new exercise programs for those who want to stay in shape while vacationing. Yoga, fitwalk and a fitness class are all included in our summer schedule. Please check the bulletin board for days and times.

It promises to once again be a busy summer and we hope that you will join us for as many activities as possible. The success of our program depends on your valued support and participation. We also ask that you consider volunteering to chair an activity. As of this moment there are a couple of events that are in need of a chair person. We keep these events on the calendar with the optimism that someone will come forward to chair the activity.

On behalf of the Activities Committee, I would like to take this opportunity to thank each and every one of you for your continued help, support and participation in making the 2011 summer a most successful one.

Have a wonderful summer.
Maryellen Bertrand
Activities Chair
